Hi

In regards to the below request, please find plans below

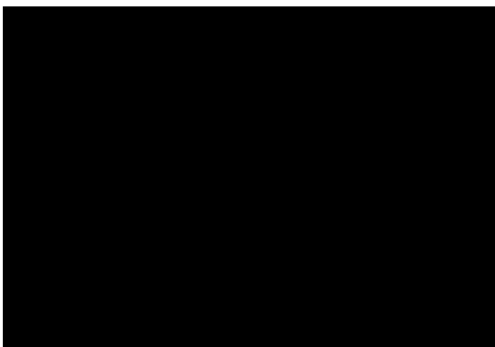

Other Side Elevation Required: Please provide the other side elevation as the proposal extends past the existing building line of the neighbouring property. Please submit this at a stated standard metric scale such as 1:50 to 1:100 with a scale bar or dimensions annotated to allow the confirmation of the scale.

Also, on your letter (attached below) it states you are awaiting payment, however, it is marked as paid and has debited from the account here so can this be looked at please

Do let us know if you need anything further

Kind Regards

Nikki
