Dear Mr Thomas

The Town and Country Planning Act 1990 (as amended)

Surgery to various trees within the Angmering Conservation Area
Pigeon House High Street Angmering BN16 4AG

Thank you for your recent application, which was accepted as valid on 24th October 2011. It is being dealt with by Mr P Cleveland who will be able to help you by telephone should you have any questions. However, I would point out that it will not be possible for you to meet with the case officer unless a prior appointment has been arranged.

Thank you for your recent notification of proposed works to trees which I received on 24th October 2011. It is being dealt with by Mr P Cleveland who will be able to help you should you have any questions.

We have six weeks from the date we received your letter to consider making a Tree Preservation Order on the tree or trees. If by 5th December 2011 you do not hear from us, you may carry out the work as long as you do so within 2 years from the date of your letter and do no more work on the tree or trees than is set out in your letter. We will however endeavour to inform you of the outcome of your proposal before this date.

Please be aware that some of our correspondence including the Decision Notification will be sent by email if you have provided an email address on your forms. It is therefore important to inform us if your email address changes throughout the course of the application.

This acknowledgement only relates to planning and does not relate to any other legislation which may or may not apply such as Building Regulations. You will need to carry out your own checks to determine whether any other consents or permissions are required. For advice on whether Building Regulations are required please visit the government's website www.planningportal.gov.uk or seek your own professional advice. If you are in any doubt you will need to submit a formal Building Regulations submission.
