Dear Mr Heap,

Apologies for the delay in getting back to you in relation to this matter. I have now had the opportunity to discuss this application with a team leader and it is considered that the proposed alterations would require re-advertisement. This would result in a no decision before date of the 7th December 2017, as the earliest we could get this application into the paper would be next week. Therefore, I am happy to arrange for this re-advertisement today but would be grateful if you could provide written confirmation of your agreement to an extension of time until the **15th December 2017** by 12pm today. I apologise for the short turn around but the weekly list closes today at 1pm and as such we are required to have extension of times agreed prior to re-advertisement.

Please do not hesitate to contact me should you wish to discuss this matter further.

Yours Sincerely,

David Easton

I have attached the amended Totem Sign drawing showing the height reduced to 4.5m as you requested. Are you now in a position where the application can be approved? If you need any further information please do not hesitate to contact me.
