

Dear Zoe Toppin

I have now spoken to the tree officer , while he says we can not prune T2 we are allowed to cut dead branches . I agree the new proposal of work . As suggested by mark I will get a tree surgeon to look at T2 and see in their opinion if a report on the tree's condition etc would help evidence for work to be carried out in the future .

We are granted permission to carry out the agreed work ?

kind regards

Dear Mr Burrell,

I have received comments from our tree officer regarding your above application at Arundel Acre. The application in it's current format has been decided for refusal, however the tree officer would like to invite you to agree a new work proposal for this work. The new work schedule is outlined below:

T1 oak (only)

- Reduce radial spread of whole tree, leaving a minimum of 1m extension over the boundary and into the applicant's plot.

T2 oak – no work proposed as part of this application.

If you agree to this revised work specification your application will be approved subject to conditions.

If you do agree to this revised proposal please can you email me back by Friday 26th March. If I do not receive a response you application will be refused.

I look forward to hearing from you.

Many thanks

Zoe Toppin
