Hi James

Thank you for your email.

The photographs appear to show adequate fencing, but clearly this is only for part of the site and not the whole – so is not adequate for me to recommend a discharge of condition 10 (A/150/19/DOC).

Are you satisfied that ALL the tree protection fencing has been installed correctly and at the locations shown on the approved plan?

If so, I will return to site one last time, early in the new year (week commencing 6th January) – to see if it is all 'fit for purpose'.

Regards,

Mark

Good Afternoon Mark,

Following the last site visit and adaptations to tree fencing etc. Please see photographs demonstrating signage and bracing.

Kind regards

James Elsey
