There is a grass verge area on the corners of Ambersham Crescent and Downs Way East Preston which has been enclosed with Herras fencing. I understand from the Parish Council that this bit of land has been sold to build a house on. I am at a loss to understand how this could happen as this is a public area for the enjoyment of local residents and there is a public bench which is in frequent use.

Who could I contact to enquire further about this?

Sue Bewsey
