Comments from Greenspace

Public Open Space

The Council's SPG guidelines apply to developments of houses and are based broadly upon the National Playing Fields Association's (NPFA) "Six Acre Standard". This requires that 2.4 hectares of open space (or six acres) are provided for every 1,000 people ie 24 square metres of open space per person. With the number of houses on this proposal exceeding 15 this would trigger the need for onsite local area play (LAP) as this is not shown then an offsite contribution of £1000.00 per property would be sought for offsite local play provision, in this instance this would be £18,000.00

Landscape/Tree protection

Forming part of the application and prior to any consent being given a full landscape scheme should be submitted for approval, detailing species choice, position, densities and size at time of planting. This should be plotted in plan and list form and in relation to the trees and vegetation to be retained in the locale, so that a clear picture of the proposals can be seen. These details are required to assure the adjacent land setting is maintained, the setting is uncompromised and the proposals are appropriate to its setting.

Any trees or vegetation that fall within the proposed or periphery of the development, may provide significant aesthetic impact to the location. Any trees in particular along the boundaries, which adjoin neighbouring land could provide potential valuable screening and should be retained particularly those adjoining the settlement boundary. Any considered tree removal from this site should be agreed with Arun District Councils Tree Officer. Root protection Areas (RPA) should extend into the development site and to those in neighbouring land. Before construction, a tree protection scheme must be in place for any (If any) retained trees including trees whose root protection areas fall within the construction zone from neighbouring land. This should be in accordance with BS 5837:2012 'Trees in relation to construction' Any removed trees should be mitigated for allowing for inclusion of native species for biodiversity purposes and fitting to the semi-rural setting.

I would recommend that all of the above points are addressed as part of a considered and valid application and agreed before any decision can be considered.

NOTIFICATION FROM ARUN DISTRICT COUNCIL

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure)

(England) Order 2010 (as amended) - Article 4

Outline Consent

APPLICATION **A/154/14/OUT**

NO:

Registered: 6th November
2014

Site Address: Pound Place Roundstone Lane Angmering BN16
4AL

Grid Reference: 507548 103995

Description of Outline Application for the erection of 18 No.
Works: dwellings

The Council have received the above application. I shall be pleased to receive any observations you may wish to make.

[Click here to view the application details](#)

Should you have any comments to make, these should be sent by replying to this email by 11-DEC-14.

You can also monitor the progress of this application through the Council web site:

www.arun.gov.uk/planning

Please be aware that any comments you may make will be available on our website so please do not insert personal details or signatures on your reply.

In the absence of a reply within the period stated, I shall assume that you have no observations to make.

The application will be determined having regard to the development plan policies (if any are relevant) and other material considerations. The development plan can be accessed via the website as can the leaflet which deals with material planning considerations.

Should the application go to appeal the Planning Inspectorate will publish any comments made to the Council on their website:

www.planningportal.gov.uk/planning/appeals/ but they will protect personal details.

The officer dealing with this application is Mr P Cleveland who can be contacted on telephone number 01903 737631.

Regards
Planning Officer
