For the attention of: Mr J Baeza

Planning Application No: A/154/17/PL

Site: The Vinery, Arundel Road, Angmering, BN18 9PY

Development: Erection of industrial building (Unit 35b) for B1 (Business)/B8 (Storage or Distribution) purposes, relocation of existing site managers office & workshop. This application is a Departure from the Development Plan

Highways England Ref: HAMIS 79128

Dear Mr Baeza

Thank you for your consultation of 14 September 2017 regarding the application referenced above.

Highways England has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the strategic road network (SRN). The SRN is a critical national asset and as such Highways England works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity. Highways England will be concerned with proposals that have the potential to impact on the safe and efficient operation of the SRN, in this case the A27.

Having examined the above application, we are satisfied that on the basis of the information supplied, trips generated will be of a level and distribution that will not materially affect the safety and/or operation of the SRN. Therefore we do not offer any objections or requirements relating to the proposal. We assume that there will be a standard condition requiring a Construction Management Plan should planning permission be granted, and if so, we would like to be included in the consultation on the Construction Management Plan.

I attach our formal response for your records.

Kind regards,

Elizabeth Cleaver, Assistant Spatial Planning Manager
