Happy New Year Anita,

Regarding this variation of pre-commencement planning condition 6- *details of the proposed means of foul and surface water sewerage disposal have been submitted to, and approved in writing by, the Local Planning Authority in consultation with Southern Water.*

We are aiming to submit the S98 application to Southern Water next week, this will then mean that the design of the sewer disposal has been appointed to Southern Water to undertake.
The developer has undertaken actions within their remit to ensure a Southern Water approved design.

Thus I wanted to check in to see if our suggested variation was acceptable, in which case we would subsequently submit an application to discharge of the first part of the varied planning condition.

Look forward to hearing from you.

Kind regards,

Charlotte Smith

Thank you for your application received on 29th October 2019. I am writing to acknowledge that it was accepted as a valid application on 30th October 2019. On receipt of this letter, if you have any concerns about the way that the Council has described your application, you should contact the case officer: Mrs A Gardner, who is dealing with your application. They can be contacted by email at Anita.Gardner@arun.gov.uk.

The Council will publicise this application by means of a site notice on or near the application site and on our website. **The notice needs to be displayed until the date indicated on it for comments to be made by and for not less than 21 days.** After this period it can be removed. If there are any problems with regards to the site notice (e.g. vandalism), please contact the case officer.

Your application cannot be determined until the end of the statutory publicity and consultation periods which is 5th December 2019.

You can follow how your application is progressing on the Council's website:

www.arun.gov.uk/planning.

The Council aims to make as many decisions as possible before the end of the statutory determination period, which in this case will be 25th December 2019. However, this is not always possible for a number of reasons, including on-going negotiations or the scheduling of Planning Committees.

If you have not received a decision by 25th December 2019 or agreed in writing to extend the time in which the Council can make the decision, you have 6 months in which to appeal to the Secretary of State. Your appeal (under Section 78 of the Town & Country Planning Act 1990) would be that the Council has failed to make a decision and you would be asking the Planning Inspectorate to

make the decision instead. You can do this on a form which you can get from the Planning Inspectorate website /www.gov.uk/topic/planning-development/planning-permission-appeals or by writing to The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

If you allow the Council extra time to make a decision on your application, and you disagree with the decision, you will still be able to appeal within 6 months from the date the decision was issued.

This acknowledgement only relates to this application and not to any other applications you may have made, or may need to make to the Council, for example Building Regulations approval. You will need to carry out your own checks to determine whether any other consents or permissions are required.

For advice on whether Building Regulations are required please visit the government's website www.planningportal.co.uk or seek your own professional advice. If, in general, you wish to know more about Building Regulation approval and the Building Control Services offered by Arun District Council please see www.arun.gov.uk/buildingcontrol/

For details of how the Council will deal with your data please refer to our privacy notice called privacy statement planning application on the website www.arun.gov.uk/planning-privacy-statements

Please do not hesitate to contact the case officer if you have any queries.

Yours sincerely

Neil Crowther
Group Head of Planning
