Dear Anita,

Confirm EOT to this Friday.

If the decision is to approve the wording change, as this determination is now over 2 months late it would be much appreciated if the subsequent discharge could be expedited since Southern Water have already confirmed no objection, and they are themselves already appointed to do the design work for the drainage.

Kind regards,

Charlotte Smith

Dear Ms Smith,

The comments of Southern Water were received yesterday. They have raised no objection.

Unfortunately DC Committee applications are currently being prioritised ahead of agenda close next Tuesday. After that date other applications are likely to be progressed. I would therefore appreciate your agreement to an extension of time on the application until 21-02-2020 to allow for writing of the officer report and sign off.

Regards

Anita Gardner
