Dear Mr Moore,

I refer to my telephone conversation with you this this afternoon.

Firstly, please accept my very sincere apologies, as discussed I did not complete the report on your application last week and it is not therefore being considered at the March meeting of the Planning Committee. This is because I was out of the office for all of last week unexpectedly. I unfortunately went down with the flu bug that has been going around.

Clearly, the further delay is not of your making and I had intended to get this application to the March Committee. I acknowledge that your client must perhaps be somewhat frustrated, please advise him the above and also pass on my sincere apologies. Unfortunately, the Council does not have sufficient staff for the application to have been completed by another staff member, who would not have known the site in any event in terms of completing the report at what would have been very short notice.

I fully intend to place this application before the 11 April Planning Committee for a decision to be made. To enable us to do so, we do however need another extension of time. It would be helpful if this could be until close on Friday 13 April. If your client agrees, please confirm by email.

Regards,

Ross
