Subject: RE: A/109/20/OUT - Ecology

Morning,

Following submission of the bat survey report I am happy that no further information is required relating to bats for this condition. However before the condition can be discharged please can the applicant confirm the following;

Can the applicant please also confirm that there will be no loss of scrub vegetation to the north of the site (excluding the hedgerow along the A2820). If any works to this scrub is required further survey work for dormice will be required.

Many Thanks

Liz

Hi Liz,

Following on from your consultation response dated 30th September, please find attached the required Bat Survey (as noted within the Ecological Schedule of Works).

I hope this now enables the condition (Condition 10) to be discharged.

Many thanks,
Sean
