Dear planning,

I have been asked to review this application for approval of details reserved by the condition imposed under A/144/15/PL relating to condition 8-verification report.

EH does not support the discharge of condition 8 at present. I have reviewed the submitted verification details, and it doesn't appear that we do not have a copy of the approved remediation strategy referred to in the submission.

Once we have the approved remediation strategy, EH will corroborate this document with the submitted verification report.

Kind Regards
