Subject: RE: A/155/21/DOC - Former West End Nursery, Roundstone Lane, Angmering

Hi Michael,

I have now considered the additional information submitted concerning the remediation strategy and the previously submitted verification report.

I can confirm that the reports satisfy our requirements concerning the relevant planning condition. Accordingly, I have **no objection** to recommending the discharge of contaminated land conditions imposed under planning reference A/155/21/DOC.

I hope this helps.
