

Supplementary Plan

Dear Andrew

I attach the Location Plan for the Reserved Matters approval (A/81/18/RES).

I also attach the Site Layout Plan for the Minor Material Amendment approval (A/28/19/PL), which shows the play area and link path position on the northern boundary.

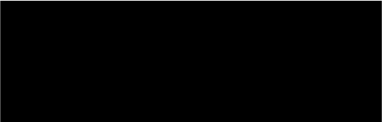

I trust that this is sufficient for you to proceed with this application.

As we discussed with your colleagues on site, it is imperative that we have this matter resolved as soon as possible as it risks delaying the occupation of the units and stopping work on site.

Best regards

Chris,
I have just looked through the application.

We require a further 'red line' location plan for the development as a whole and a block plan showing exactly where the proposed ramp is going to be located. Can you please provide these plans as soon as possible.

Thank you,

Andrew Wood

Dear Andrew

I note that you have been allocated application A/157/19/PL, which is for the variation of Condition 3 – relating to the creation of a link path and to allowed the phased occupation of the development.

I just wanted to make you aware that this application is the culmination of quite a lot of discussion and follows a site meeting a couple of weeks ago with Richard Castro-Parker, Michael Eastham and Rachel Alderson. We were anticipating that either Richard or possibly Michael would be allocated this application, as they are fully aware of the background behind it. If you are taking over as the case officer on this we would be grateful if you could discuss with your colleagues to ensure continuity.

Best regards
