Michael

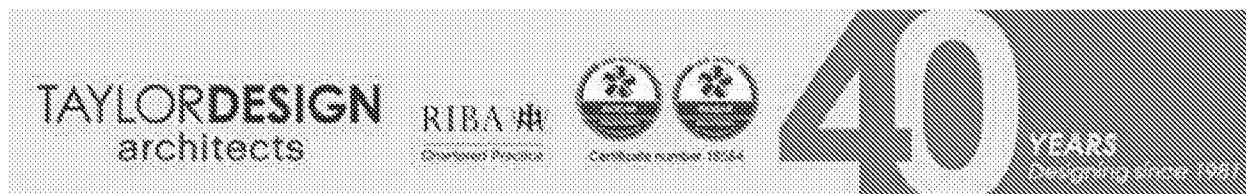

I have spoken with the applicant and they have accepted to withdraw the application

It should be noted the information required is currently being developed by the originally approved landscape architect and as mentioned previously which should be with us early next week to when we will resubmit the application. We trust a further enforcement notice will not be served as it is Arun asking for this application to be withdrawn.

If there are any issues with the above please let me know. I will also email you once the new application has been submitted

Regards

Lee Harper

Lee,

There are no free go's on Discharge of Condition applications. A fee needs to be paid every time.

Regards,

Michael

I guess the applicant will have to pay the application fee again as well or do these applications get the free go?

Regards

Lee Harper

Lee,

I understand the applicant is reluctant to withdraw the application and start submission again.

As you will not withdraw the current application, the LPA intends to refuse it for the following reason:

“The landscape proposals submitted under A/157/21/DOC show the bare minimum of ground cover planting with little variation in tree and shrub species. The scheme is devoid of any frontage tree planting proposals and only 6no Birch trees 8-10cm girth to the rear. The proposed landscaping scheme is contrary to Policy D DM1 of the Arun Local Plan and the Arun Design Guide as it does not demonstrate a high standard of hard and soft landscaping to reflect the local area”.

Once A/157/21/DOC has been refused the LPA expects you to submit a new discharge of condition application with a landscaping scheme based on a site based approach in which you will need to address the visuals from outline and also the site in relation to its neighbours which have the tree cover to the frontages

Regards,

Michael

Michael

I was out of the office on site yesterday (apologies for missing your call) I will give you a call around 10am to discuss this as the applicant is reluctant to withdraw and start submission again.

Hi Lee,

Please would you submit an email formally withdrawing discharge of condition application **A/157/21/DOC** by **5.00pm today (Wednesday 27th October 2021)**.

I look forward to receiving a new discharge of condition application with a landscaping scheme based on a site based approach in which you will need to address the visuals from outline and also the site in relation to its neighbours which have the tree cover to the frontages.

Regards,

Michael

Hi Lee,

Please would you submit an email formally withdrawing discharge of condition application **A/157/21/DOC** by **5.00pm on Wednesday 27th October 2021**.

Regards,

Michael

Hi Lee,

Bearing in mind timescales and the fact that the current extension of time for **A/157/21/DOC** ends on 1st November 2021 we request that you submit a separate email formally withdrawing discharge of condition application **A/157/21/DOC**.

You will then need to submit a new discharge of condition application with a landscaping scheme based on a site based approach in which you will need to address the visuals from outline and also the site in relation to its neighbours which have the tree cover to the frontages.

Regards,

Michael

Hi Michael

See response below from landscape architect, is it possible to work with these timescales?

Good morning Lee,

Apologies, I was not in the office yesterday, I will be visiting the site to take photos and make mark- ups of the planting on Thursday morning.
I will be able to get the finished drawings back to you early next week.

Kind regards,

Lili Sutton BA(Hons)
