Environmental Health makes the following comments on this application:

The Acoustic Report is satisfactory and I agree with the conclusions.
 Please impose the following condition (*From PPG24 Annex 4 Condition 1*) on any approval :

Construction work shall not begin until a scheme for protecting the proposed noise-sensitive development from noise from the adjacent road has been submitted to and approved by the Local Planning Authority; all such works which form part of the scheme shall be completed before any part of the noise-sensitive development is occupied.

Explanatory note: The options for remedial measures recommended in the report are acceptable but a detailed specification is required to be submitted for approval
