Dear Mike

Thank you for sending in the details of the satisfactory top soil validation and ground gas monitoring. I shall look forward to receiving the *Final Completion/Validation Report* shortly.

thanks

Dear Mike

Thank you for sending in the Second Interim Validation report ref; MAS-BH-313-1. Environmental Health makes the following comments;

We agree with the conclusions in Section 11 and anticipate the works to be completed and validated in Section 12. The assessment criteria in Table 10.1 for the top two metres of soil on site are acceptable.

thanks
