Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Variation of condition 1 imposed under A/8/18/PL relating to the substitution of approved plan drawings NO ADC 962 04 rev A & 13 rev B for drawings No ADC 962 20 & 21 (ground & first floor plans & roof plan). This application affects the character & appearance of the Angmering Conservation Area.

Land Rear Of 1 To 6 The Cottrells Angmering

Thank you for your internet representation made on 5th January 2019 which has been recorded as '**an objection**' with the comments as follows:

I strongly object to this application. The building as constructed is not as the approved plans, in fact it is extremely similar to those plans that have already been rejected. A third bedroom has now been included contrary to ADC clearly making the statement that the building is not to exceed two bedrooms. A third bedroom will obviously result in yet another vehicle for which there is not the parking space. Residents vehicles already spill out into the High Street.

There is also the matter of the roof lights which are both not as the approved design and are now lower invading the privacy of the residents of 1 to 6.

This building should now be changed so that it complies with the approved plans.

Regards

Peter Thompson

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal

information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
