Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/159/21/PL
Site Address: Mill House Croft Angmering Day Nursery Station Road Angmering BN16 4HY
Description of works: Continuance of use without compliance with condition 3 imposed under A/110/05/ relating to hours and number of children for outside use/play.

Thank you for your internet representation made on 7th August 2021 which has been recorded as support with the comments as follows:

OWPC39344

As a parent of two children at Angmering Day Nursery I fully support the application of allowing children to spend up to 180 minutes outside a day in line with government guidelines. Currently there is a drive for healthy living and regular exercise, children thrive through outdoor play, thus encompassing both these aspects. The current 45 minutes restrictions seem unfair and not at all in line with current government recommendations.

As mentioned, there have been no complaints from nearby residents whilst children have been permitted to play outside for longer during the pandemic and therefore there seems no reason why things can not carry on this way.

Your views as made above will be considered before the application is determined.
