Dear sir or madam

I have just been given notice of the planning for extended play for children at the day nursery for all five days a week as we live next door 24 children plus staff is far too much when we brought our house six year ago we understood from our solicitor that play in the garden was limited it is not that we don't like to hear children play but there must be a limit in a residential area with many retire people and when we want to sale on as we will need too down size it effects the sale of our property We already put up with early morning drop off and blocked drive ways where staff and parents park there cars across drive ways
