Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/159/21/PL
Site Address: Mill House Croft Angmering Day Nursery Station Road Angmering BN16 4HY
Description of works: Continuance of use without compliance with condition 3 imposed under A/110/05/
relating to hours and number of children for outside use/play.

Thank you for your internet representation made on 23rd August 2021 which has been recorded as support with the comments as follows:

OWPC39858

I worked for the setting for a number of years until having my own children. The setting have always made the best of the situation. Juliet and Laura have always ensured this was worked to the rules in place despite the enormous disadvantage this puts the children at.

Children develop by exploration and increasingly the evidence supports the inclusion of free access to the outside world. Exploration through "forest school style" activities and the additional ability to access more gross motor skills that you simply cannot safely do inside are crucial to children's development. The nursery work to ensure the children who adore the outside time get as much access as they can but they simply cannot meet the needs of these children due to this ruling and this is simply unacceptable. The nursery philosophy and general management are exceptional without a doubt I wholeheartedly believe they would continue to ensure the garden access would be managed in a sensitive manner.
