Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/159/21/PL
Site Address: Mill House Croft Angmering Day Nursery Station Road Angmering BN16 4HY
Description of works: Continuance of use without compliance with condition 3 imposed under A/110/05/
relating to hours and number of children for outside use/play.

Thank you for your internet representation made on 23rd August 2021 which has been recorded as an objection with the comments as follows:

OWPC39859

I stand against this completely for many reason, some i thought maybe obvious to a Council. Children need fresh air and to be physical through the day to aid their development not only that but to encourage good health. Unless the council do not support this. Also the persons in question of putting this propasal up have been [REDACTED] in the past. In some cases [REDACTED]

If the council feel they need to support a most hurtful way to destroy a loyal business that provides OUTSTANDING care to the local community children then you are looking at this wrong. You have people who are getting away at [REDACTED] and others who are providing care for children to move them forward in their learning which can only be a very good thing for the local area. I think many will be against this rediculous idea of limiting or cancelling children to use an outside space that theyre in full right to do. What if a large family lived in the house. Would these restrictions be in place then??

Your views as made above will be considered before the application is determined.
