

Planning Officer: Zac Denton

Planning Application Ref: A/160/17/TC

Location: St Margarets C of E Church, Angmering

Description of works: Fell 4 No Holly trees; 2 No Cherry trees & remove dead limbs to 1 No Monterey Pine

Reasons Given: Dead and/or dangerous material needing tidying for health and safety purposes.

Comments:

Mixed Tree Species – Incl. Holly & Pine as listed in the Martin Dobson report that accompanies the application.

- These trees are all either dead or dying or in the case of the Pine tree have suffered from an infection.
- The accompanying report from Martin Dobson is comprehensive and provides the options for management for the applicants.

Conclusions:

- As these are dead or dying trees (or parts of trees thereof) we would not wish to apply a TPO to prevent them from taking place.

Recommendations:

- I raise **No Objection** to these works as listed in the supporting report and see no reason to apply a TPO to control or prevent them from taking place.
