Dear Sir/Madam,

Re: Planning Portal Submission Reference: PP-06292462
s37 Application to vary Planning Permission A/162/15/PL (Car showroom and workshop with associated access, car parking and landscaping)
Land North of Roundstone By-Pass, Angmering.

Further to our covering letter for the above application submitted to your department on 31st August 2017, we note that surface water drainage details have been recently discharged under application reference A/161/17/DOC. The Decision Letter dated 4th September 2017 is attached for your ease of reference.

Please accept these details pursuant to A/161/17/DOC as also relating to Condition 4 of planning permission A/162/15/PL. This updates the position with this condition from the covering letter. Consequently, Condition 4 from A/162/15/PL does not need to be repeated in full on any new Planning Permission.

I would be grateful if this e-mail be placed with the other application documents recently submitted under Planning Portal reference PP-06292462 in relation to this application.

Kind Regards,
Damian
