

WEST SUSSEX COUNTY COUNCIL CONSULTATION

TO:	Arun District Council FAO: Anita Gardner
FROM:	WSCC Highway Authority - Matthew Bartle
DATE:	25 November 2019
LOCATION:	Pound Place Roundstone Lane Littlehampton BN16 4AL
SUBJECT:	A/161/19/DOC Approval of details reserved by condition imposed under ref A/9/19/PL relating to Condition Nos 3 - proposed surface water drainage and 16 - Construction & Environmental Management Plan.
RECOMMENDATION:	More Information (cond. 3)

Condition 3 - surface water drainage

It is difficult to see from the supplied plans whether the drainage proposals are sufficient to prevent discharge of water onto Roundstone Lane. It would be helpful to the authority to have revised plans clearly indicating how water will be prevented from flowing onto the public road. Alternatively, an explanation might be provided of how the current proposals will meet this requirement.

Condition 16 - construction & environmental management plan

Having reviewed the supplied plan in detail, the highway authority has no objection to the discharge of condition 16.
