Dear Anna,

Please find attached the tree officer's comments.

As per the recommendations can the project arboriculturist be instructed to attend site and supervise the necessary refinements and submit a brief report to us confirming their completion, preferably with supporting photographic evidence.

Once that information has been received, we should be in a position to recommend approval of the DOC. Please can you agree to a month EOT until 14-11-2021 to allow for the inspection and submission and subsequent consideration and issuing of the DOC?

Regards
Anita Gardner
