Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (General Permitted Development) Order 2015 Schedule 2, part 6

Application No: A/164/21/AG
Site Address: Land south of Littlehampton Road Angmering BN12 6PN
Description of works: Notification under the Town & Country Planning (General Permitted Development)(England) Order 2015 under Schedule 2, Part 6, Class B(d) to upgrade existing agricultural track, providing access to Roundstone Farm.

Thank you for your internet representation made on 13th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39575

I cannot begin to understand why a builder/developer would apply to upgrade a farm track to a tarmac road with kerbstones and drainage for the purposes of 'safe access'. Is the existing track so unsuitable, so unsafe? Its not as though there is a continuous flow of agricultural traffic that would be needed to justify the substantial cost of a section of quality road.

Could it be that this is another piece of blatant hoodwinking? Sounds very much like it to me.

This has to be a precursor for something far more intrusive that is being planned for this valuable farmland in the 'gap'.

I object to the application and whatever else is being planned to come after it.

Your views as made above will be considered before the application is determined.
