Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (General Permitted Development) Order 2015 Schedule 2, part 6

Application No: A/164/21/AG
Site Address: Land south of Littlehampton Road Angmering BN12 6PN
Description of works: Notification under the Town & Country Planning (General Permitted Development)(England) Order 2015 under Schedule 2, Part 6, Class B(d) to upgrade existing agricultural track, providing access to Roundstone Farm.

Thank you for your internet representation made on 19th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39757

This application although worded as an application for upgrading a farm access road is clearly part of a strategy to instal a new highway with access to the field for housing development purposes.

I strongly object to the proposal which is at a location already overburdened with traffic. Congestion is constant and will not be helped when the dual carriageway work is completed as the traffic already exceeds the limits as judged by the almost sedentary pace of traffic throughout the day.

There appears to be no consideration given for growing food crops wild life birds and bees etc.

Air quality will suffer even more with additional traffic entering and system.

School facilities, Doctors and hospitals are already at bursting point with additional housing numbers adding a further burden will do nothing to reduce waiting times.

It is also quite amazing that the fields in question have had no problems with access for many years by farm vehicles onto the site without the need to upgrade the roadway for farming purposes.

This is not the time to be addition to the local housing stock and this application if not considered as part of a future housing application, carefully excluded from this wording, then the Local Authority will be considered naive in the extreme should they approve it.

Your views as made above will be considered before the application is determined.
