Dear Sir/Madam

Could I please ask for the application's name to be updated on the application?

This was my mistake, and if it could be updated to Christien Robinson, please.

If you require anything from me, please let me know.

Best regards,

**ArchEvolve**

Good afternoon,

Thank you for your email.

With regards to the Biodiversity Enhancement Statement, this is a local validation requirement, different to the biodiversity net gain, and as a minimum should state how the application seeks to protect and improve the existing on-site natural environment. I have attached a couple examples above for your convenience.

Kind Regards,  
Iqraa Malik

Dear Sir/Madam

i'm following up this response as I accepted this description and I'm not sure why the biodiversity would apply to a loft conversion so could you review this please and if this is the case, can you backdate the validation please? Thank you.

Best regards,
