Thank you for your internet representation made on 19th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39741

Traffic on the A259 is already very heavy. Additional houses would significantly contribute to this. Already locals in Ferring avoid shopping in Rustington etc because of the traffic chaos and slow journey times. Building more houses will therefore further harm local shops and destroy our fragile high streets. In addition, local services such as schools, GP's etc, which are already over subscribed, will be unable to cope and will negatively impact on current residents. We need agricultural land for food production, habitats for wildlife and for its benefits in terms of being the "lungs" of the locality. Allowing over urbanisation increases air pollution and risks the health of those already living nearby. For all these reasons, I strongly object to this development or any scaled down version of the same.

Your views as made above will be considered before the application is determined.
