OWPC39765

Access onto the roundabout, which is extremely busy now, will be very difficult and dangerous. This development may be smaller than some of the others but is not sustainable due to lack of amenities eg doctors, dentists, schools etc. The widening of the A259 should be completed before any more building anywhere in the Angmering area is even contemplated. The development itself is like most modern sites, as many houses crammed in as possible with small gardens and inadequate parking. Concreting over more farmland will cause flooding and serious loss of trees and habitat for wildlife. Once a precedent is set for housing along this side of the A259 the gap will soon close between Goring and Angmering using up perfectly good farmland. We will need this land in future to produce our own crops to be self sufficient as an independent country. Someone in planning needs to stand up and say NO to this complete insanity of piling in thousands of houses in an already overloaded Arun.

Your views as made above will be considered before the application is determined.
