Dear Sirs,

PLANNING APPLICATION A/168/21

We write to oppose most vehemently the above headed application for the development of 76 homes on this site.

Enough is enough ; this area , on both sides of the A259 has already been virtually destroyed by greedy developers.

Giving much more potential traffic access to the already congested and dangerous A259 would be a disaster.

We want this East Preston Gap to remain a gap.

This is currently a food production area and to have it as a dwelling place for so many more inhabitants would seriously overload the local infrastructure and facilities such as schools and our already overstretched medical services.

Please, please refuse this application.

MR. & Mrs. T.A.Frisby
