Thank you for your internet representation made on 21st August 2021 which has been recorded as an objection with the comments as follows:

OWPC39816

I live on the main A259. The infrastructure cannot cope as it is with existing homes & extra traffic. This building of more properties without adding the extra services it needs, as in schools & GP's. The building on open spaces is not good for the environment or the planet. Please reconsider all the objections as I feel sure the outcome of this being successful would mean further sale of land adjacent for even more homes.

Your views as made above will be considered before the application is determined.
