OWPC39828

Apart from the madness of these houses being built on a flood plain! 76 more houses will equate to at least 150 more cars trying to get onto a roundabout that already gets dangerously gridlocked, especially when the railway gates in East Preston are down. What the [REDACTED] are Arun District Council thinking? Soil testing pipes are in situ the other side of East Preston railway gates at Kingston Lane Farm, this will be the next planning application!!! Why don't Arun District Council do what is desperately needed and build a bridge over the railway gates in East Preston!

Your views as made above will be considered before the application is determined.
