OWPC39830

Dear Sir/Madam

We object most strongly to this proposed development, the latest in a succession of proposals which threaten our area with being concreted over. And to what purpose other than the further enrichment of developers?

We are already grossly overcrowded, our road congestion gets worse each month and current road improvements, when eventually completed, are unlikely to prove adequate for the ever-increasing traffic.

Local schooling and medical services can not keep pace with the present demand, let alone any further increase.

The density of housing between Worthing and Chichester has already consumed huge tracts of our farmland, woodland and open green spaces. Roundstone Farm, if built on, would do away with yet another piece of food-producing land and ALSO an important part of our Gaps, which Arun's local plan promised to preserve !

This application should be refused.
