OWPC39849

This is another unbelievable application. It is a green field site and must not be used for house building. We need to be preserving our farmland, for food production and the protection of our wildlife. The infrastructure cannot support any more families and cars. The surrounding roads and especially the A259 are already very congested and the widening of the A259 isn't going to make any difference. Access from this proposed housing estate onto an already busy roundabout, could well be dangerous. There is a shortage of doctors and dentists and the schools are over subscribed. Please say NO to this application before we run out of green spaces.

Your views as made above will be considered before the application is determined.
