Hi my name is Ann Barwis. I live in Mayfield.

I was shocked to receive a leaflet, saying what their plans were, for building near roundstone roundabout. Which doesn't make me very happy. As it is that roundabout has always been a nightmare, especially when cars are racing down to crossways, that road is clogged from roundabout to crossing. As it is for us to just get out when traffic is racing down, or should I say speeding, children crossing to go to school, elderly people, I could go on. no one can cross unless a kindly driver stops. Why is there no speed limit, or a pedestrian crossing somewhere because its horrendous. Could a sign not be put up, telling them to slow when approaching crossing. And what about hidden speed camera's? You would make a fortune there.

But plse tell me if you have heard of plans for redrow to build there. Thank you.
