Thank you for your internet representation made on 25th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39893

Over development in our area too many new houses being built and all the services cannot cope. The roundabout onto which the proposed developments traffic will join is already extremely dangerous the extra 150 cars (minimum) as if this development is allowed to go ahead where will it stop as there is a lot of land East of the site ripe for developers to concrete over with even more lucrative house builds. Doctors Schools Dentist are overloaded already. If sanity prevails this development should not be permitted on so many levels.

Your views as made above will be considered before the application is determined.
