OWPC39916

I cant see how this development will have a positive impact on the village of East Preston and the surrounding area. The obvious start point is increase in traffic in what is already a horrendously congested area, to add another high density housing development to this area will no doubt cause even more issues regardless of the improvements to the A259, the local schools are already massively subscribed so it will add further strain to these and additionally to other local services like the Doctors which are also fairly highly subscribed to, im sure these house will end up being built but the destruction of the local green areas is a sad state of affairs and in future years our children's children wont get to appreciate the beauty of the Sussex countryside as all the will be able to see is hosing estates with minuscule box ticking green spaces.

Your views as made above will be considered before the application is determined.
