Description of works: Erection of 76 No. dwellings, means of access, public open space, play areas, associated infrastructure & landscaping. This application is a Departure from the Development plan, is in CIL Zone 5 and is CIL Liable as new dwellings & affects a Public Right of Way.

Thank you for your internet representation made on 26th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39943

This area will implode with the amount of new developments proposed plus ones in progress. More houses equals more cars equals more pollution. More strain on infrastructure and resources such as water and sewage treatment. Thought we were aiming to reduce our carbon footprint not add to it. And I note only 23 out of 76 houses are affordable!!!!

Your views as made above will be considered before the application is determined.
