Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: A/168/21/PL  
Site Address: Land South Of Littlehampton Road and East of Worthing Road Angmering BN12 6PN  
Description of works: Erection of 76 No. dwellings, means of access, public open space, play areas, associated infrastructure & landscaping. This application is a Departure from the Development plan, is in CIL Zone 5 and is CIL Liable as new dwellings & affects a Public Right of Way.

Thank you for your internet representation made on 29th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39992

Over the past few years, there have been multiple new housing developments in the area, with no thought for the additional infrastructure to support the people moving here. There is plenty of housing already and the market is saturated with new builds. GP surgeries, dentists and schools are all oversubscribed, plus the roads are so congested. It's a nightmare travelling around the area now. The location of the proposed housing development will put additional pressure on an already very busy road and roundabout. It will just create another bottleneck and potentially people's safety could be at risk when trying to enter and leave the roundabout. So many of the green spaces around the area are being used for housing developments. When will it stop?

Your views as made above will be considered before the application is determined.
