Thank you for your internet representation made on 5th September 2021 which has been recorded as an objection with the comments as follows:

OWPC40112

Surely we need to keep some greenspaces along the coast. These houses are not for the local people in need of affordable homes, but for people wanting to move to the coast. We must stop building along the coast as everywhere is getting clogged up with lack of services and infrastructure. The A259 will never cope with increased traffic despite current modifications.

Your views as made above will be considered before the application is determined.
