Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/168/21/PL
Site Address: Land South Of Littlehampton Road and East of Worthing Road Angmering BN12 6PN
Description of works: Erection of 76 No. dwellings, means of access, public open space, play areas, associated infrastructure & landscaping. This application is a Departure from the Development plan, is in CIL Zone 5 and is CIL Liable as new dwellings & affects a Public Right of Way.

Thank you for your internet representation made on 7th September 2021 which has been recorded as an objection with the comments as follows:

OWPC40169

I have lived in this area all my life and despair at the current level of destruction of the countryside and agricultural land. This application is just further evidence.

This part of the A259 is already totally congested hence the expansion. Adding a further 76 dwellings in this area will do nothing to alleviate the current congestion but will increase delays and pollution.

There is very little open space left between Ferring and East Preston and losing this piece of land would then make the rest unviable for agriculture and would soon be eaten up and add to further development.

Arun District Council should be fighting to keep the Gaps
