Thank you for your internet representation made on 8th September 2021 which has been recorded as an objection with the comments as follows:

OWPC40223

I am concerned that more houses means more traffic in an already overcrowded area. I do accept that the widening of the A259 will relieve it somewhat in the short term but with the continual house building in this area it will not take long until the road is not able to cope.

Your views as made above will be considered before the application is determined.
