Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/168/21/PL
Site Address: Land South Of Littlehampton Road and East of Worthing Road Angmering BN12 6PN
Description of works: Erection of 76 No. dwellings, means of access, public open space, play areas, associated infrastructure & landscaping. This application is a Departure from the Development plan, is in CIL Zone 5 and is CIL Liable as new dwellings & affects a Public Right of Way.

Thank you for your internet representation made on 10th September 2021 which has been recorded as an objection with the comments as follows:

OWPC40286

I object to the proposal on the grounds that access is on a very busy roundabout (A259/A280/Old worthing road). This roundabout can be seen to have traffic queues from 4 directions simultaneously. Adding access to another estate would create more potential for frustration and accidents.

If the authority is minded to approve the scheme, I would expect the houses to be designed to the very latest "green specs". Triple glazing, super insulation, air-source heat pumps (certainly no gas boilers), Solar-panels for water-heating etc etc. We have enough inefficient housing in the country - we need next-gen housing and nothing else.

Your views as made above will be considered before the application is determined.
