Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/168/21/PL
Site Address: Land South Of Littlehampton Road and East of Worthing Road Angmering BN12 6PN
Description of works: Erection of 76 No. dwellings, means of access, public open space, play areas, associated infrastructure & landscaping. This application is a Departure from the Development plan, is in CIL Zone 5 and is CIL Liable as new dwellings & affects a Public Right of Way.

Thank you for your internet representation made on 11th September 2021 which has been recorded as an objection with the comments as follows:

OWPC40299

I quote from
Arun Plan 2011-2031 adopted 18 July 201

Policy SD SP3

Gaps between settlements

The generally open and undeveloped nature of the following gaps between settlements as identified on the Policies Map will be protected to prevent coalescence and retain their separate identity.

The East Preston Ferring Gap is identified under this policy.

The open space is a 'green lung' for Ferring and East Preston

The impossible traffic congestion arising in the main road and both roundabouts and back into Ferring would be intolerable

This development would add to the strain on other infrastructure: drainage, water supply and sewerage, schools and medical services

The loss of prime agricultural land is completely unnecessary

In addition it would appear there appears to be a close relationship between the developer and Arun council. I'm sure Arun residents and members of Arun Council would hate to think there is anything untoward in this relationship.
