Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/168/21/PL
Site Address: Land South Of Littlehampton Road and East of Worthing Road Angmering BN12 6PN
Description of works: Erection of 76 No. dwellings, means of access, public open space, play areas, associated infrastructure & landscaping. This application is a Departure from the Development plan, is in CIL Zone 5 and is CIL Liable as new dwellings & affects a Public Right of Way.

Thank you for your internet representation made on 14th September 2021 which has been recorded as an objection with the comments as follows:

OWPC40356

The proposed development is not aligned with policy SD SP3 in that it encroaches on the gap between settlements, which as the policy states, "will be protected to prevent coalescence and retain their separate identity".

The proposal is also against policy C SP1, as the proposed scheme is outside of the built-up area boundary. These policies should be adhered to, not simply ignored when ADC planning chooses to do so, otherwise they serve no purpose at all.

In addition, the entrance/exit to this development would be close to and on an already busy and overcrowded roundabout, which is already dangerous to navigate due to the queuing traffic on the A259 and Worthing Rd when the barrier is down for the crossing.

Lastly, this area around Angmering/EP/Ferring is already massively over populated with new builds and no additional facilities for the residents by way of schools, doctors, NHS dentists. Such facilities need to be in situ BEFORE any further development is permitted.

We strongly object to this planning application.

Your views as made above will be considered before the application is determined.
