OWPC40377

My daughter has 3 foster children who have to school in Chichester at present. They have applied to EPJS who can only cater for the oldest and youngest, the middle child has 5 waiting in front. Developments such as this will have more effect on schools, Doctors who already can't cope due to closures, Dentists and other services. The effect on infrastructure is another issue, the crossings at EP already cause great frustration to residents and as for the A259 who knows when this will be completed. With all the developments ongoing and proposed along the A259 this is yet another development too many.

Your views as made above will be considered before the application is determined.
