Hi,

I could not find the 'Comment Button' as instructed on your website, so here is my email.

I seriously object to more housing at this location as the traffic in this place is already very heavy and people in East Preston already struggle to access the A259 from this roundabout adjacent to the proposed site. Green spaces are already vanishing fast in this area with Bramley Green having become so overdeveloped. So many more extra vehicles will spill out on these already busy roads, and requirements for local services schools grow too.

Thank you.
